

## Main - PacmanCollection

[Playing Ms. Pac-man to Win](#) is awesome! I'm not a great player, but I love Pac-Man the "person". He and his kin were a phenomenon and a vast amount of memorabilia was created. I have a small but precious collection of Pac-Man stuff. I have a bunch of things that I had when I was a kid and a whole lot of other things that I've bought on ebay or received as xmas presents or purchased at antique stores.

I'm scanning in the books that are out of print so everyone can enjoy them!
